

Cigarette Coupons

The unit is now involved in saving Cigarette coupons and trading stamps. These will be used to obtain items of equipment. If anyone has any spare coupons or stamps, of any make, which they wish to donate will they please give them to any member of the unit.

Christmas Dinner

The Unit Annual Dinner this year was held at Jim Farmer's house owing to slight difficulty in arranging for a hall. We were pleased to see a good turnout from the Unit. Everyone had a good evening. A big thankyou to Marion Langton for doing the cooking and to Mr. and Mrs. Farmer for allowing us to use their kitchen facilities.

Garage

Pleased to announce that the garage loaned to the Unit at the back of the Railway is now in full use.
