

who we welcome back as a leader, acting as secretary to the Committee, as well as helping in many other ways. A number of new faces are appearing in the Unit, none of whom have had a chance to settle as yet, but we take this opportunity to welcome them and hope to see them participating in some of the activities mentioned on page 1. Some of them have a little way to go before they reach the age of 16 and are really on a 'Link' basis at the moment. I hope they don't find us too bad.

Finally a couple of pleas. We desperately require a roof rack for the Units Mini Bus. Any suggestions of help will be gratefully received. Secondly we are homeless again, that is to say we have nowhere to store the Units equipment. All camping gear etc. is at present at John Bowden's house, and things are a little bit cramped for him. So any help in this direction will be most welcome.
