

Unit Report cont.

slowly building up our own supply of caving ladders, ropes and canoes.

The Unit is still having its enevitable ups and downs, but I firmly believe that the 'ups' are now far outbalancing the 'downs'.

News Around The Unit.

Transport News.

John Rees's Morris met opposition returning from Downe at the end of February, fortunately neither Sheila nor John were seriously hurt. Not long after this Paul Rippingale's Triumph was forced into a Bollard in the middle of the road in Tooting, and the passengers, guess who? John and Sheila. Again fortunately nobody was hurt. Both John and Paul have now got new replacements.

The Year of the Leap.

Well leap year is here and it's really telling, especially on three Unit members who have all announced their engagements. The three who have taken the plunge are:- Mick Ferrier and Pauline Bentley, Andy Burrow and Janet Giller and Pete Berryman and Penny Pickford. Congratulations and best wishes to all from the Unit.

Permits.

Dougie Hand is taking out an A.S.L.s permit with the 22nd Streatham while Ewen Anderson is taking out a General Instructors Permit with the 3rd Streatham Group. John Walsh and Trevor Cooper hope to be taking out General Instructors Permits with the Unit, and Trevor Atterton hopes to do the same with the 3rd Streatham Cubs in the very near future.

Around May and June it's exam sitting time, I would like to wish all those sitting exams the best of luck and hope they come through successfully.
