

Once again the Unit is starting on a new venture. I hope that the Magazine will develop to include all Unit activities, although it is starting mainly with a Caving bias. Remember this is by no means our only activity and we want to hear from all of you on any there you may have views. Dave Webb is editor at the moment so all items to him please.

I was very pleased with the Unit turn out on the St. Georges day parade, but lets see more of you in Uniform on meeting nights when it's required, not just for special occasions.

Finally, a date for your diary - Sat. 31st May - 20 free tickets for Stock Car Racing (Names to Chris Potts).

Sun 8th June R.A.C. L Driver of the Year competition. A good day out - 12 places available
