

AWARDS

After waiting for well over 18 months Stephen Day and Andrew Burrow were at last presented with their Queens Scout certificates in a ceremony held at the Unit H.Q. in late November. They were joined by Ewen Anderson who had gained his award some 9 months previously. The certificates were presented by Ron Ennals, a member of the County Staff. Present during the evening were many district and County representatives plus parents and supporters of the Unit. Between 60 and 70 people were present during the evening.

John Bowden, Philip Kitson, Nick Sawyer and Andrew Day have all gained St. John's Ambulance awards while Ewen Anderson has gained the Award of Merit of the Royal Life Saving Society.

Congratulations to all those mentioned and I hope to be able to report on more awards in future News letters.

Badge Awards Secretary.
